IN THE MATTER OF TENTATIVE :
DECISION TO APPROVE THE MINING :
AND RECLAMATION PLAN FOR :
GRANTSVILLE QUARRY, :
TOOELE COUNTY, UTAH :

NOTICE OF TENTATIVE
DECISION TO APPROVE
NO. M/045/028

---ooOoo---

THE STATE OF UTAH TO ALL OPERATORS, TAKERS OF PRODUCTION,
MINERAL AND ROYALTY OWNERS, AND PARTICULARLY ALL PERSONS
INTERESTED IN SECTIONS 25 AND 36, TOWNSHIP 1 SOUTH, RANGE 7 WEST,
SLBM, TOOELE COUNTY, UTAH.

Notice is hereby given by the Division of Oil, Gas and Mining of its tentative decision to approve Chemical Lime Company of Arizona's (Company) Mining and Reclamation Plan for their Grantsville Limestone Quarry and lime processing plant. Mining activities will effect approximately 77 acres of private and State leased lands in portions of Sections 25 and 36, Township 1 South, Range 7 West, SLBM, Tooele County, Utah. The Company will continue mining operations, employing the following mining and reclamation techniques:

During Operations

This is an existing open-pit limestone quarrying operation. The operator drills and blasts the limestone, crushes it to appropriate size, then stockpiles it for further onsite processing/refining into lime. Reject fines will be stockpiled for reclamation of the quarried areas. Concurrent reclamation will take place on areas no longer needed for operations.

Following Operations

Plant facilities and equipment will be decommissioned, removed and salvaged. Building foundations will be broken up and buried, or hauled away to an approved landfill. Private powerlines, poles, natural gas pipelines, waterlines and telephone lines will be removed. Regrading will be done to blend in with surrounding landscape and revegetated.

The person representing the Company is Mr. Russell Curtis; P. O. Box 537, Grantsville, Utah 84029; Phone (801) 884-3972. Chemical Lime Company of Arizona is fulfilling obligations under the Utah Mined Land Reclamation Act of 1975, Utah Code Ann. §40-8-18.

Any person or agency aggrieved by this tentative decision to issue approval is hereby requested to submit written protest within thirty (30) days of the date of publication to: Lowell Braxton, Associate Director of Mining, Division of Oil, Gas and Mining, 355 West North Temple, 3 Triad Center, Suite 350, Salt Lake City, Utah 84180-1203, setting forth factual reasons for the complaint. If no responsive written protests are received by the Division within 30 days after the last date of publication, the tentative decision of the Division will be final.

DATED THIS 12th day of December, 1994
